MK NORDIKA

My name is Marie Kullenberg and I am the MK in MK Nordika. I'm from Sweden and living in Jan Juc, along the beautiful Great Ocean Road in Victoria.

MK Nordika is an Australian based company selling high quality and stylish Scandinavian designed Rainwear for Women, Men and Children.

There is vast and consistent scientific evidence that demonstrates how children benefit in so many ways when they have regular opportunities to play outdoors in all seasons. Being nature boosts immunity, stimulates the imagination, encourages problem solving and promotes physical activity.

I grew up attending a "Forest Kindergarten" in Sweden where no matter what the weather, we were encouraged to play, explore and learn outdoors. We wore well made, comfortable rainwear which kept us warm and dry.

I now sell the same Scandinavian Rainwear in Australia and so far over 300 Kindergartens, Child Care Centres and Family Day Care Providers across the country have purchased these unique Rain Sets, embracing the possibilities of giving children the opportunity to play outdoors in all weather.

These great products protect the clothing, keeping children clean, warm and dry. The material is soft, lightweight and incredibly comfortable to wear. Our products are also made to last. The durability of each item means it will survive the weather, so you can enjoy many seasons of outdoor adventure with the same trusty, well made shoes and clothing. They are created without the use of any animal products and we proudly back our cruelty-free and sustainable designs.

Australia is a beautiful country and with appropriate clothing you can enjoy the great Australian outdoors in all kinds of weather.

"There is no bad weather, only bad clothing."

CHILDREN'S RANGE

Children love to explore and play - especially in the sand box, at the beach and on the lawn. A small child with no shoes on rarely gets the chance to play around without their feet getting wet or cold. Wearing a pair of Danish Vogelein crawler pants, even small children can get out of the pram and off the rug to explore the sand and grass.

- Soft, hard-wearing polyester
- Waterproof and windproof
- Free from any harmful substances (Oeko-Tex, Standard 100 certified)
- One size - 64cm from waist to toe

Available in Navy and Red

TESTIMONIALS

The Scandinavian rainwear has been fantastic for our indoor/outdoor kindergarten program. The children look great in their shiny red suits and have tested the rainwear out time and time again! Educators are pleased with the rainwear's durability and simplicity! Very easy to clean, the clip buttons make it manageable for children to independently dress themselves and the elastic foot inserts ensure those little feet stay dry.

- Jenny, Swan Hill South Kindergarten, Victoria

Westgarth Kindergarten uses Scandinavian Rain Wear for its Bush Kinder sessions. Come rain, hail or shine the kids are out playing in nature...with their bright red rain suits. Marie was extremely accommodating when it came to viewing sizes and ordering the rain gear. She even dropped them off to my house! Thank you Marie for a great product and service.

- Westgarth Kindergarten, Victoria

Scandinavian Rain Wear has meant our kinder children can play outside in all elements. The children particularly love being able to go down the slide when it's raining. No more wet bottoms!

- Jocelyn, Hastings Preschool, Victoria

We purchased full sets of Scandinavian rain wear for our Centre's Bush Kinder program. The outfits are extremely durable, warm and most importantly weather proof for our children as they explore the environment and seasons around them. The rain wear has also proved easy to wash, dry and maintain.
